

# EZ-RO REVERSE OSMOSIS SYSTEMS

BETTER WATER. SMARTER BUSINESS.

Easy, Expandable, and Efficient. That's the new EZ-RO.

Choosing the right filtration system is essential for foodservice applications to ensure a consistent quality customer experience. The Pentair® Everpure® EZ-RO™ is all that's needed to reduce contaminants and protect equipment with one simple system that can grow with your business.

REDUCES CONTAMINANTS

EXPANDABLE SYSTEM

PROTECTS EQUIPMENT

## Easy Intuitive from start to service

- **One system has it all.** Everything you need is included with no additional SKUs or costs
- **Hassle-free setup and maintenance.** Easy installation kit and easy-to-access ports make operating and servicing EZ-RO a breeze

## Expandable A system that grows with your business

- **Room to grow.** Larger capacity membrane filter and tank sizes fit into the same compact EZ-RO system without having to replace the processor
- **Flexible fit.** EZ-RO can be wall mounted, free standing, or under the counter thanks to its space-saving, compact design

## Efficient Created for superior performance

- **Maximum water savings and output.** High efficiency RO membrane saves up to two times more water than standard RO membranes\*
- **Re-mineralization like no other.** The EZ-RO adds back calcium and magnesium to help protect equipment, enhance coffee extraction, and improve water taste

\*Up to 50% water recovery compared to standard RO systems with up to 25% recovery

APPLICATION	SYSTEM	BENEFITS
Coffee and Espresso	EZ-RO with Hydropneumatic Tank – Coffee	<ul style="list-style-type: none"> <li>• Blending for taste consistency</li> <li>• Enhanced coffee extraction</li> <li>• Equipment protection</li> </ul>
Steam	EZ-RO with Hydropneumatic Tank – Steam	<ul style="list-style-type: none"> <li>• Optimized mineral content for proper function of conductivity sensors</li> <li>• Reduces chlorine, sediment and total dissolved solids, and buffers PH for equipment protection</li> </ul>

Since 1933, Pentair® Everpure has served hundreds of thousands of customers worldwide, including many top restaurant chains.

We are a leading supplier to the foodservice industry and a trusted provider of commercial water treatment solutions and services worldwide. We provide the widest range of solutions to protect and enhance all foodservice applications such as coffee, beverage fountains, ice, drinking water, dish washing, steam and more.

We are backed by a global network of distributors offering pre- and post-sales support, and so always ensure that someone is there to help.

For more information on our full range, please see our foodservice catalogue/price list or contact your Pentair sales representative.
