Using the app is simple. Use the bottom icons to navigate wherever you need to go. See the following pages for full instructions.

PENTAIR HOME
## FOLEO SMART SOFTENER

Homeowner Guide

Water is essential to our well-being. The Pentair Home Foleo Smart Water Softener is WiFi-enabled and designed to sync with the Pentair Home app, giving you the information you need about your water anytime, anywhere.
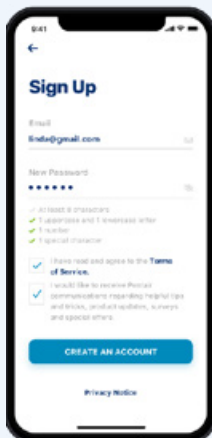

HOMEOWNER GUIDE

Create Profile

1 Get the app

a Search for and download **Pentair Home** in the App Store or Google Play.

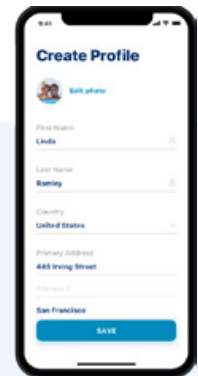

Download on the App Store

GET IT ON Google Play

b Open the app and select **Sign Up.** Create a username and password.

Check your email and **click on the verification link** to get started.

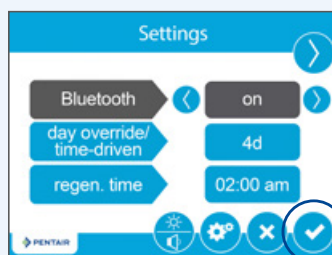

Sign Up

2 Set up your account

Using your **verified email address**, log into the app. **Create your profile.**

3 Connect your softener to the app

a At your softener, press the **Gear icon** on the display. Press the Bluetooth® wireless technology Off button then use the right arrow to turn Bluetooth on (also make sure your phone's Bluetooth® is on).

**b** Press the Check **Mark icon**.

c The **black Bluetooth® logo** signifies the connection is now open.

4 Add your device

Choose **the device** (name will always start with the letters PNR).

The Bluetooth® icon on the softener valve will **turn white after connecting**, so you know you've made a successful connection.

Select Your Foleo Water Softener

A stable and sufficient WiFi signal is essential
